

# 6<sup>th</sup> grade Technology Issues Website

Name: \_\_\_\_\_ Hour \_\_\_\_\_

Web Design				
	Excellent 4 Exemplary work overall. Work above and beyond expectations.	Good 3 Strong work overall. Work generally meets expectations.	Needs Work 2 Inadequate work. Minimum expectations not met.	Score
<b>Pages</b>  Home [Pro] Position [Con] Position Economics My Page Summary Sources	<b>Excellent</b>  All pages include ALL components of what is on the Site Project sheet. Correct number of pages, capitalized. With site mane and image. You went above and beyond.	<b>Good</b>  Some of the pages included what is on the Site Project sheet. Pages out of order, not capitalized. You did only the minimum of what was expected.	<b>Needs Work</b>  Little effort and detail was put on your pages that was included in the Site Project sheet.	
<b>Navigation and links</b>  Navigation between pages and hyperlinks to external pages are present. All pages are appealing, and pages load quickly.	<b>Excellent</b>  All seven pages are linked properly; all pages link back to the homepage; interactive buttons are easily noticeable; links are connected to right information.	<b>Good</b>  All seven pages are linked properly; pages not linked to homepage; interactive buttons noticeable; links to other information are connected properly but pages load slow.	<b>Needs Work</b>  Two or more pages linked; pages link back to homepage; interactive buttons hard to find; links to other information are present but do not work	
<b>Pages and Content</b>  Strong content development present and attention to grammar/spelling.	<b>Excellent</b>  Site included all seven pages from the Information sheet and you have gone above and beyond by <b>adding additional content</b> . Evidence of formal writing (including attention to grammar and spelling) is present. <b>Added a video, and followed all instruction</b>	<b>Good</b>  Site included all seven pages from the Information sheet. You have presented the basic content. More attention needs to be given to grammar and spelling/formal writing, and following all instructions.	<b>Needs Work</b>  Not all pages on the Information page are present. Overall, the website needs extreme content development. More attention needs to be given to grammar and spelling/formal writing as several errors are present. Poor job following instructions.	
<b>Graphics and Overall Look</b>	<b>Excellent</b>  All title pages have image background, all images are appropriate size. The overall layout of site is eye catching and appealing.	<b>Good</b>  Some of the pages have image background, and some page images are not appropriate size. The website is somewhat eye catching	<b>Needs Work</b>  These pages are lacking creativity and graphics.
